

# MIDDLETON SCHOOL DISTRICT #134 - ELEMENTARY ATTENDANCE ZONES

## THREE ELEMENTARY ATTENDANCE ZONE BOUNDARIES PHYSICAL DESCRIPTION

(Board Approval on 12/10/02)

Mill Creek Elementary attendance zone lies to the east and Heights Elementary attendance zone lies to the west, of the following boundary that separates these two attendance zones:

***Beginning on south Duff at the Boise River, the boundary line goes north to Highway 44. On Highway 44, the boundary line turns west all the way to Dewey Road. On Dewey Road, the boundary line turns north until it reaches Foothill Road. The boundary line then turns east on Foothill Road until it reaches Duff. The boundary line follows Duff until the road ends and then continues on an imaginary straight line all the way to Oasis Road (Gem County Line). Students residing on either side of Duff, Dewey & Foothill, including roads that come to a dead end off Duff, Dewey & Foothill will attend Heights Elementary due to the busing requirements.***

Heights Elementary attendance zone lies to the east and Purple Sage attendance zone lies to the west, of the following boundary that separates these two attendance zones:

***Beginning at the Boise River the boundary line follows the Emmett Road north to Oasis Road (Gem County Line). Students north of Goodson Road, residing on either side of Emmett Road, will attend Purple Sage Elementary due to busing requirements.***
