

MMS Financial Hardship Form

This form is designed for those families that need financial assistance to cover the educational expenses for their student(s). It allows the school to determine who is eligible and work with the family to come up with the best course of action to meet their needs. **It is expected that the student and/or family will contribute community service hours to the school if the financial hardship application is accepted.** We believe students can be and should be contributors to the family and school community. This is an excellent way to give back to both the family and school. Payment plans are also available.

Instructions:

1. Complete 1 form per child.
2. Turn in to MMS office. Submissions by mail or fax (585-2098) are acceptable.
3. Administrative action will be taken within 2 weeks of application. All applicants will be notified by email or phone.
