**Procedures for Non-Full-Time Enrolled Students Wishing to Participate in
Extracurricular Activities/Sports in the Middleton School District**

1. Prior to the start of each activity or sport season, students must make personal contract with the respective Activity/Athletic Director of the MSD School, which they desire to participate.
2. Applicant must complete an application and will be placed on a waiting list. On or before the first day of official practice, if there is room on that team, students on the waiting list may then be invited to try out for the open position on that team. Full-time Middleton School District students will not be displaced by non-full-time students.
