Selection, Adoption, and Removal of Curricular Materials

Curriculum committees will generally be responsible for recommending textbooks and major instructional materials for consideration by the Board for curricular materials that are not covered by the State curriculum materials committee. Recommendations will be made to the Superintendent with a final decision being made by the Board. The function of the committee is to ensure that materials are selected in conformance with stated criteria and established District goals and objectives.

Selection and Adoption

The curricular materials adoption committee should develop, prior to selection, a set of selection criteria against which curricular materials will be evaluated. The criteria should include the following along with other appropriate criteria. Curricular materials shall:

1. Be congruent with identified instructional objectives;
2. Present more than one viewpoint on controversial issues;
3. Present minorities realistically;
4. Present non-stereotypic models;
5. Facilitate the sharing of cultural differences; and
6. Be appropriately priced.

Removal

Curricular materials may be removed when they no longer meet the criteria for initial selection, when they are worn out, or when they have been judged inappropriate through the Learning Materials Review Process.
