The Middleton School District will provide reasonable accommodation to the known physical or mental limitations of individuals wishing to participate in any District activity. If you wish to request such accommodations please notify the District Office (585-3027) at least one week in advance of the meeting.

The public is invited and encouraged to attend school board meetings. Requests to place an item on the agenda must be submitted (in writing) to the Superintendent's office on or before the first Tuesday of each month. The Board strongly encourages patrons to first communicate with the School or the District Office, before bringing an item to the Board.
