

Mission/Vision

Mission: The Middleton School District's mission is to provide an exceptional education with high expectations for all students in a safe and supportive environment in which is professionally enriching and satisfying for all staff.

Vision: To create an exceptional educational experience, which inspire our students to communicate effectively and to think critically and creatively both independently and collaboratively, with the goal of becoming a lifelong learners and contributing global citizens.

Daily Goal: Every Student Learning Every Day

Goals: Goal 2 - Provide all students with equitable access to rigorous curriculum aligned instructional materials and assessments in all subjects and all grade levels.
